Dimello

Espresso Dimello is produced by Kafea Terra, a 100% Greek company founded in 1988, an influencing pioneer in the production and trade of espresso coffee, with significant export activity in many countries. The company owns and operates its own state-of-the-art industrial manufacturing site, in the area of Peania, in Attica region.

WE LOVE COFFEE
& hope you enjoy our blend as much as we do.

Our values, mission and ambitions continue to be rooted in the three pillars that define our dynamic progression towards a sustainable future:

- The Bean... building strong partnerships with utmost respect to coffee farmers.
- The Blend... using cutting edge technology and ongoing research.
- The Barista... training for an excellent result in the cup.

At Delphi's foot, in Itea, at the core of the oldest, most ancient olive grove of Mediterranean, our family owned company is located. Since its establishment in 1948, the company has shown significant growth. Its commercial activities start with operations in Athens and Piraeus and by early 1976 had already expanded its presence all over Greece. Since 1983 starts gradually its international orientation, starting from the markets of Eastern countries and from 1993 exports 95% in many international markets all over the world. The company has annually quality controls according to the international standards and has been certified to FSSC:22000. Our experience makes sure that that the olive, this valuable gift of nature, has the proper production, process and packaging which retain its valuable ingredients.
